Great. All we need is for someone from your office to be available next Tuesday 10/4 in the morning to sign off on the application before we press the submit button. It is due by 5pm Tuesday 10/4.

Unfortunately the next two weeks are crazy. Any chance you can do Monday 9/29 AM or Tuesday 9/6? If not, schedule back to normal availability beginning 9/12.

Hey Noah,

This is great. Adding Nate and Kevin. Happy to meet to talk about this. I'm pretty open next Thursday, does everyone have any availability that day?

Thanks

Hey Diana,

Hope this finds you well and enjoying summer!

As you may know, the LA2050 initiative offers annual grants up to \$100k to projects that make LA a better place to learn, create, play, connect, and live. Non-profit and government entities are eligible to apply, and the submission period begins 9/6. Blair and I considered the idea of applying for funds to improve and expand our Spring Street Parklets in collaboration with CD14's planned enhancements for Spring Street. Do you have time tomorrow or next week to discuss? Anyone else from your team to loop in?

Noah
